The Cashier Accountant in the office of the Assistant Sericultural Expert (2) Kollegal is qualified in typewriting and is competent to handle a machine.

pto

The office of the Assistant Sericultural Expert (2) is not located in the same building in which the offices of the Sericultural Expert and the Assistant Sericultural Expert (1) (Control) are located. Sir,

Sub: Stationary - Typewriter - Office of the Assistant Sericultural Expert (2) Kollegal - Supply of - requesting.

Ref: Government Memo No.59988 DI/46-2 Development dated 17-10-1946.

As the Assistant Sericultural Expert (2) is in charge of the entire seed organization in Kollegal taluk, the offices of the Grainage Superintendent etc are under his control and the Cashier Accountant of the Central grainage is also working under him. As already stated, the Cashier Accountant is a qualified typist and is competent to handle a typewriter. He will be asked to attend to typing work for the time being only ie till a qualified candidate knowing typewriting becomes available and to compensate this the other clerks in the Assistant Sericultural Expert's office will assist the Cashier Accountant in his regular work.

Since considerable difficulty is being experienced by the Assistant Sericultural Expert(2) and the Grainage Superintendent in carrying on scriptory work, I request that Government may be pleased to sanction a typewriter for the office of the Assistant Sericultural Expert(2) Kollegal at an early date.
